Mr. Wilber Shanklin, President
101st Airborne Division Ass'n.
806 Middlesex Street
Gloucester City, New Jersey 08030

Dear Bill:

I am resigning my post as Chairman of the Membership Committee effective at the termination of your term of office as president in August 1974. I feel that I have exhausted all my ideas and methods in obtaining members. I feel that this Committee should, however, continue in its endeavor to bolster our membership, with a new chairman with new ideas and new methods, to search out our non-members and convince them to join with us.

Yours in the 101st,

Robert J. Hartzell
