I attended this Mini Reunion last year and there were 187 101st people in attendance, including 5 Company I people. The hospitality room is always well stocked with drink and food from beginning to end. This is my type of Reunion, very little business conducted, just visiting and sharing and laughing in a well stocked hospitality room. And it gives us Northerners a chance to taste summer weather in the middle of winter.

Company I people who have told me that they plan to be at this Mini Reunion are: Bill Purdy - Joe Hennessey - Leroy Gravelle - Jim Howell - Bob Hartzell - Harry Nivens - Bob Burnett - Louis Morong, along with wives.

If you can tear yourselves away from home for a few days join us for this enjoyable time. In making your hotel reservations mention that you are with the 101st in order to get our special room rate.

Yours in the 101st,

Bob Hartzell
